To: The Receiving Report

From: Eva Cantu 

Date: August 15, 2006

Re: *Documentation of Supplier Name Change – Amide/Bertek/Mylan*

The products that were supplied by Bertek and manufactured by Amide; are now being supplied by Mylan. However, the product label and insert still reflect Amide/Bertek. Until the supplier's product label and insert reflect a name change, UDL will continue to record Amide/Bertek on its product specification and labeling.

This memorandum will be placed in the batch record to explain the inconsistency of the supplier/manufacturer name on the paperwork/documents within the batch record.
